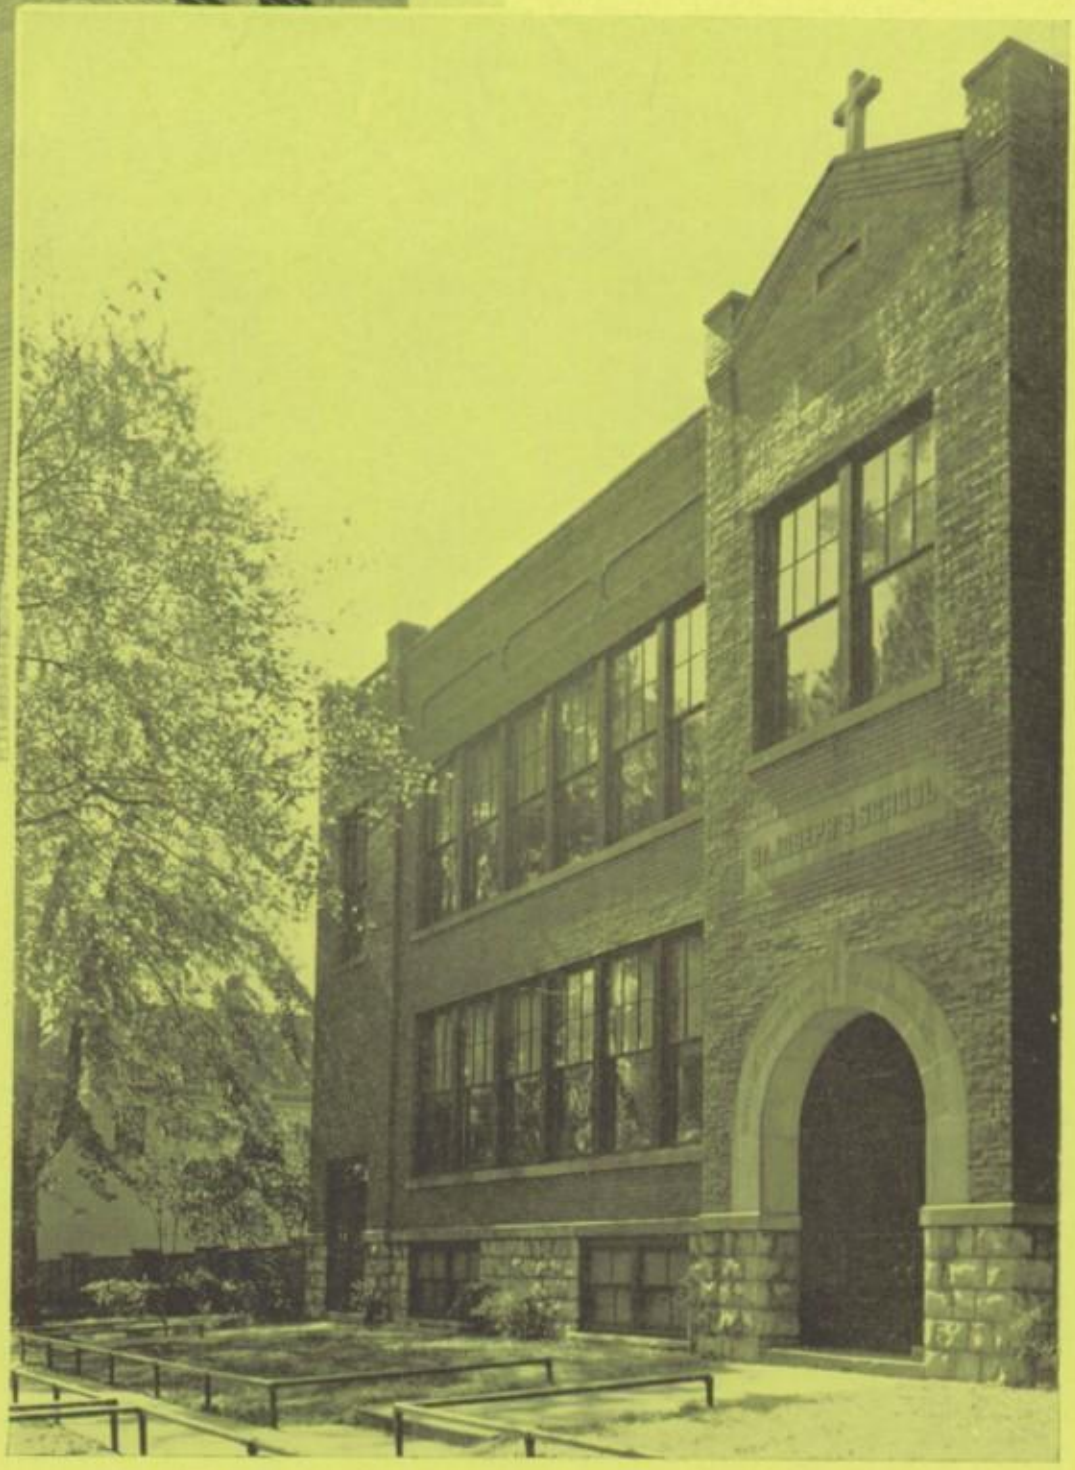
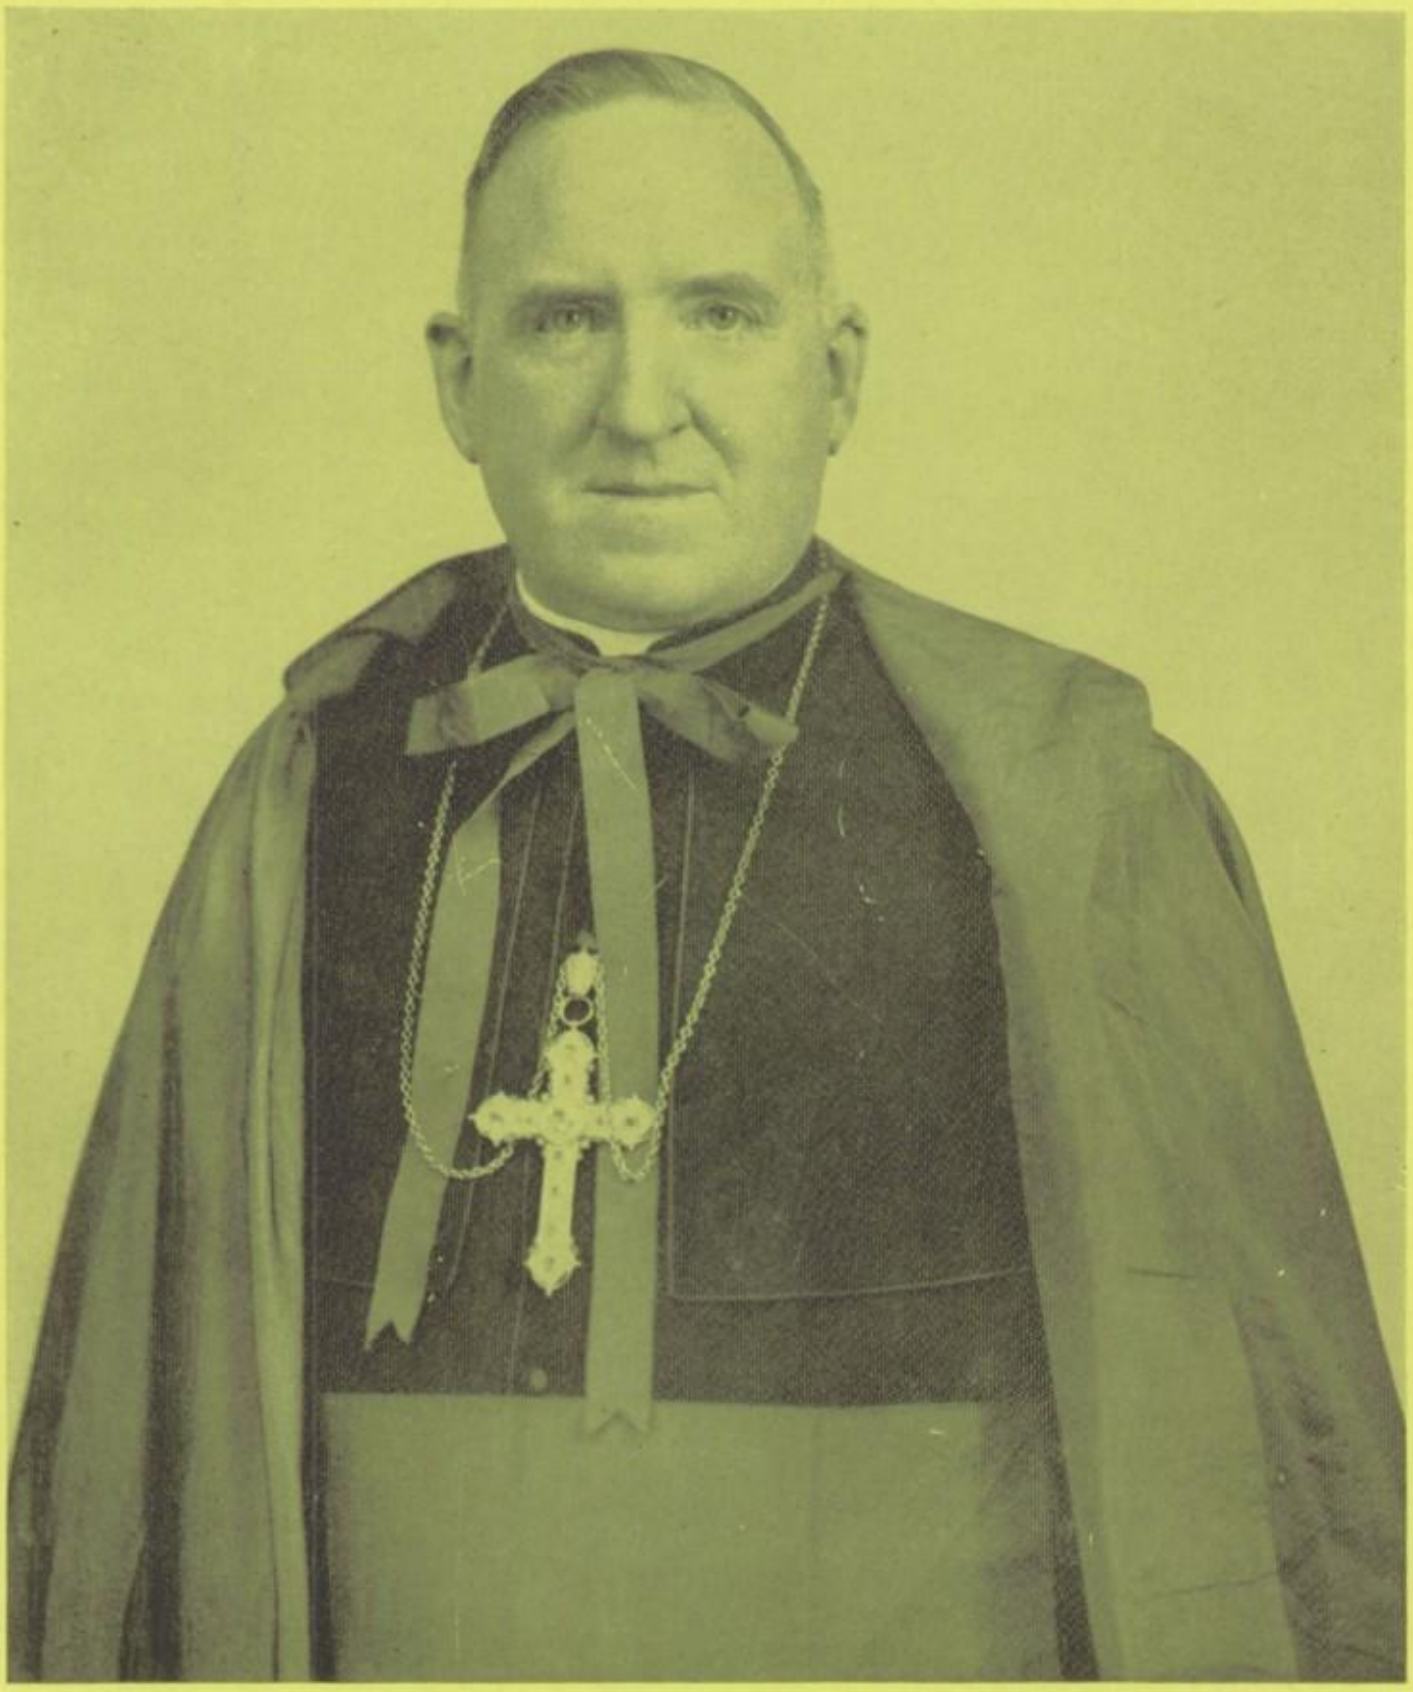
Memories





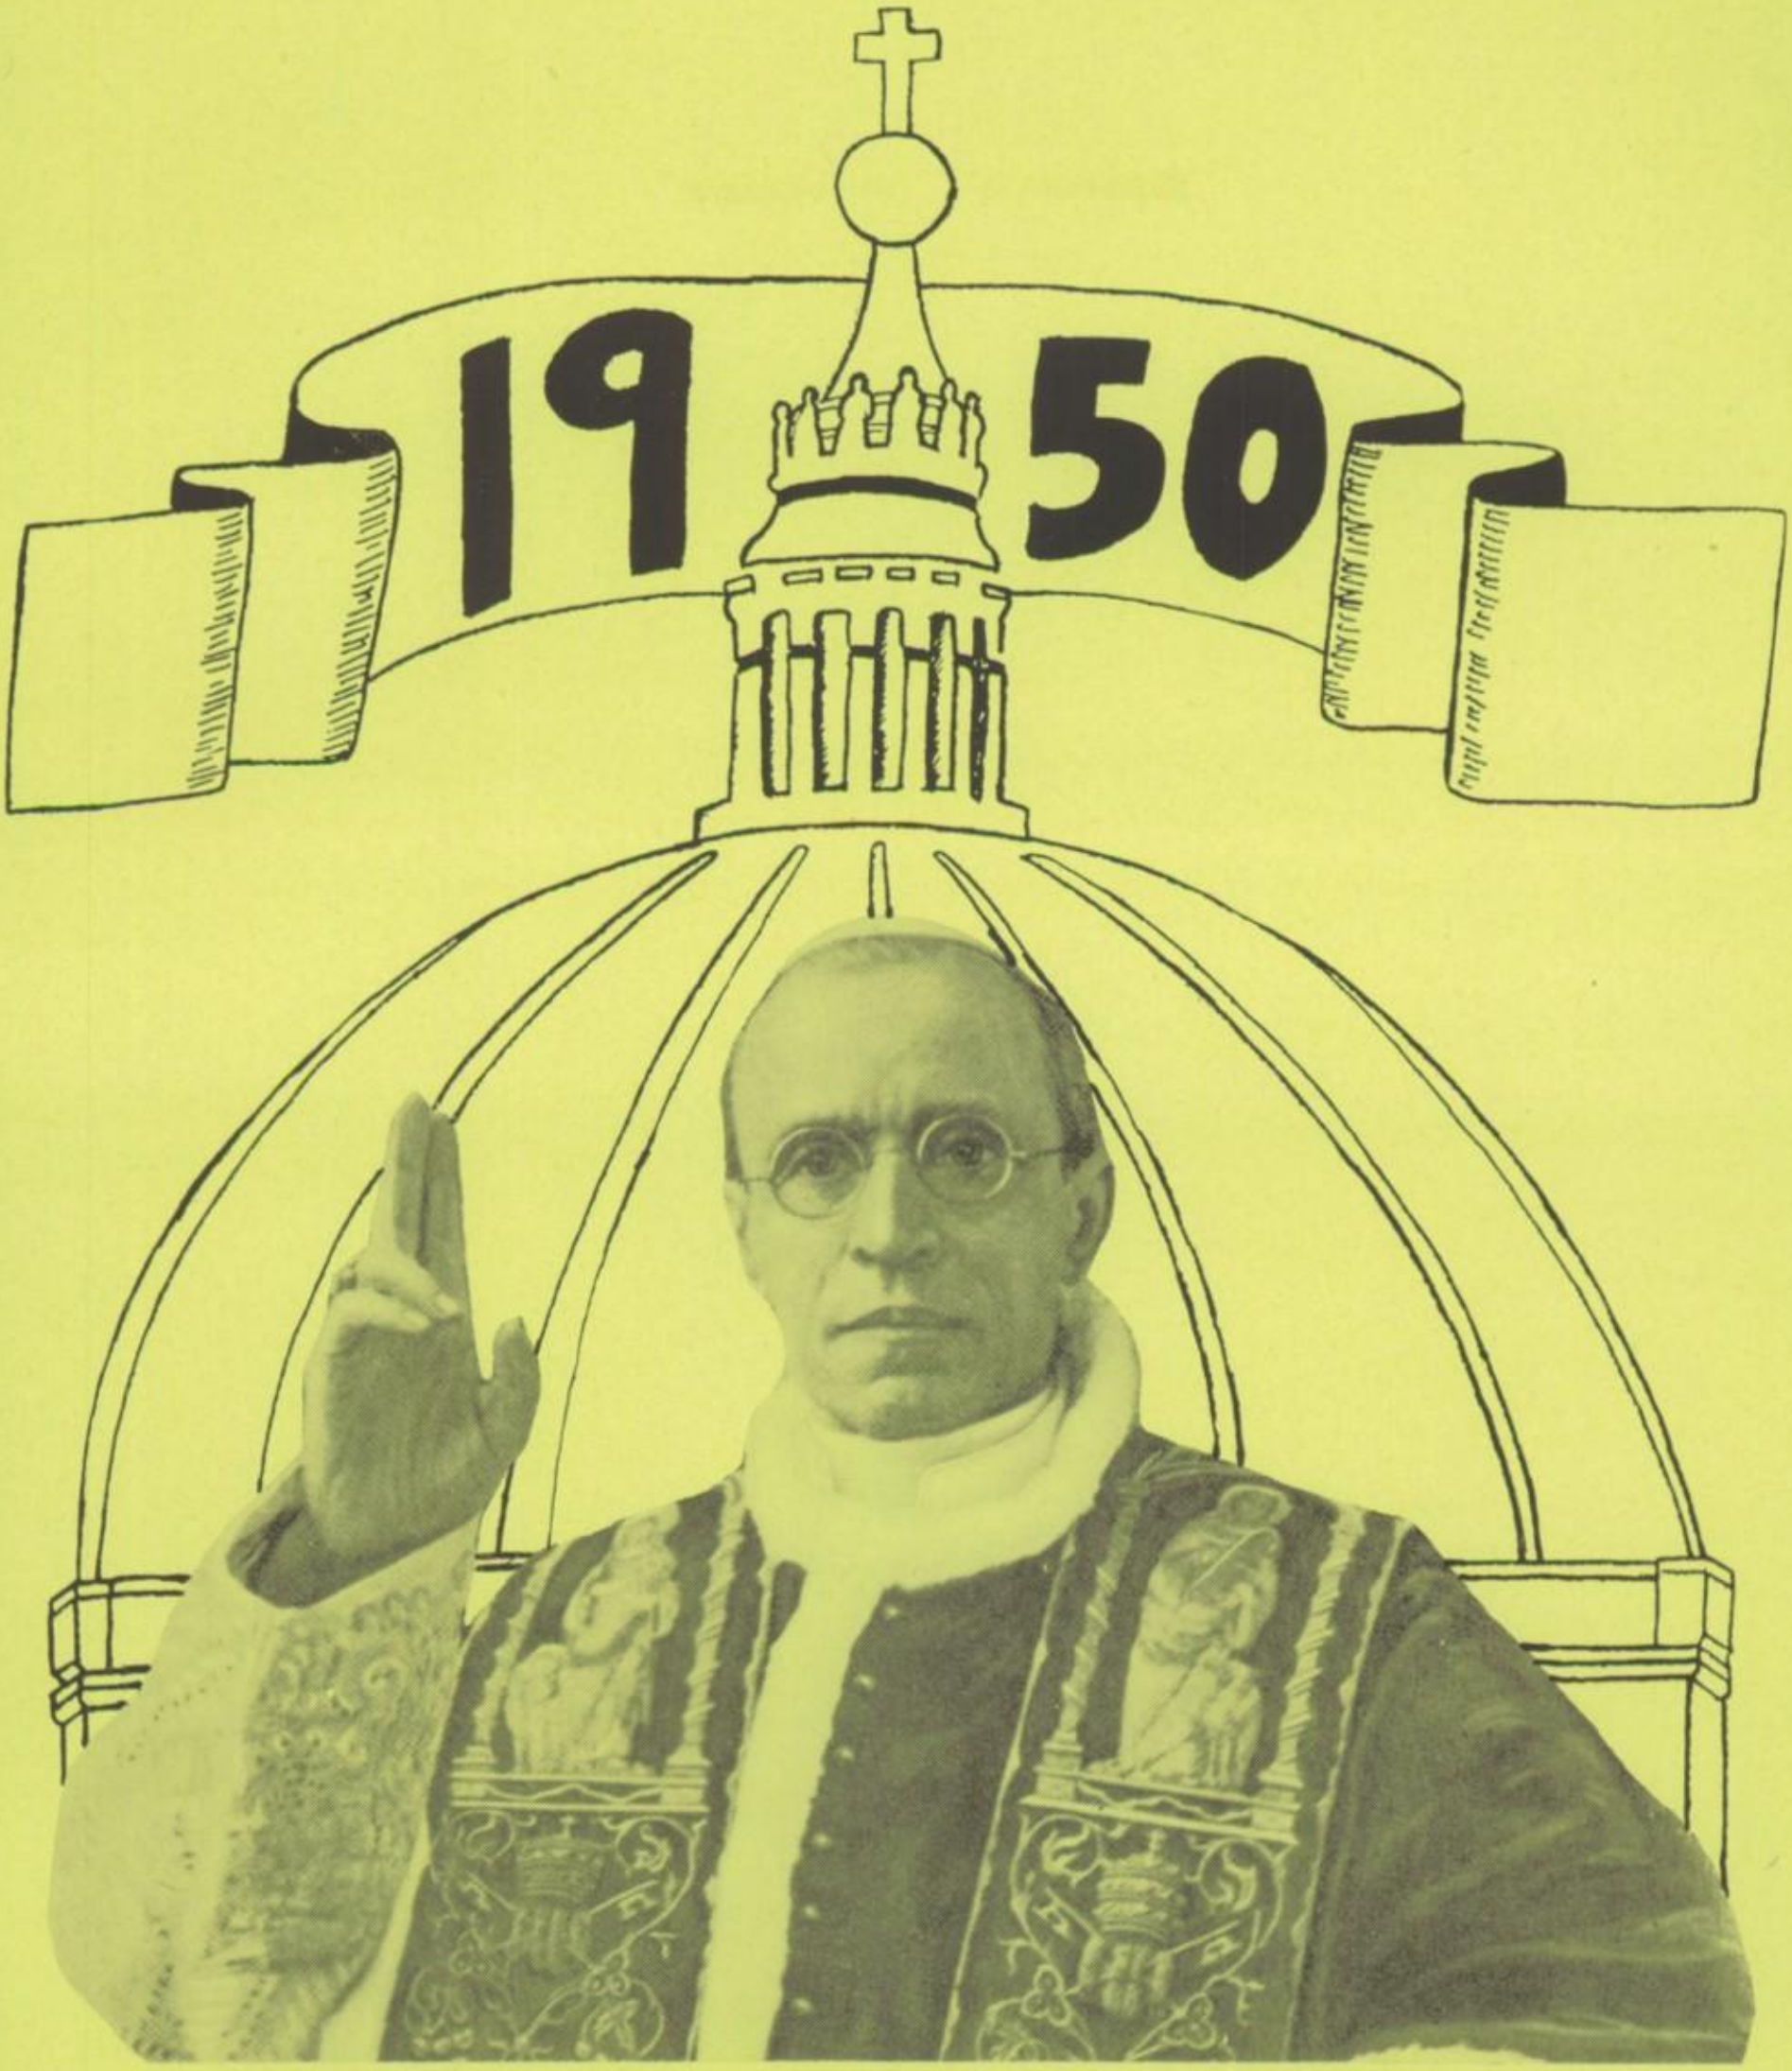
His Excellency, The Most Reverend
WILLIAM F. MURPHY, S.T.D., LL.D.

". . . . Birth and Death inseparable on earth; For they are twain yet one, and Death is Birth."

May your Birth, dear Bishop, find you celebrating this year of jubilee and grace midst eternal happiness and eternal priesthood. May your dear ones find comfort in this thought.

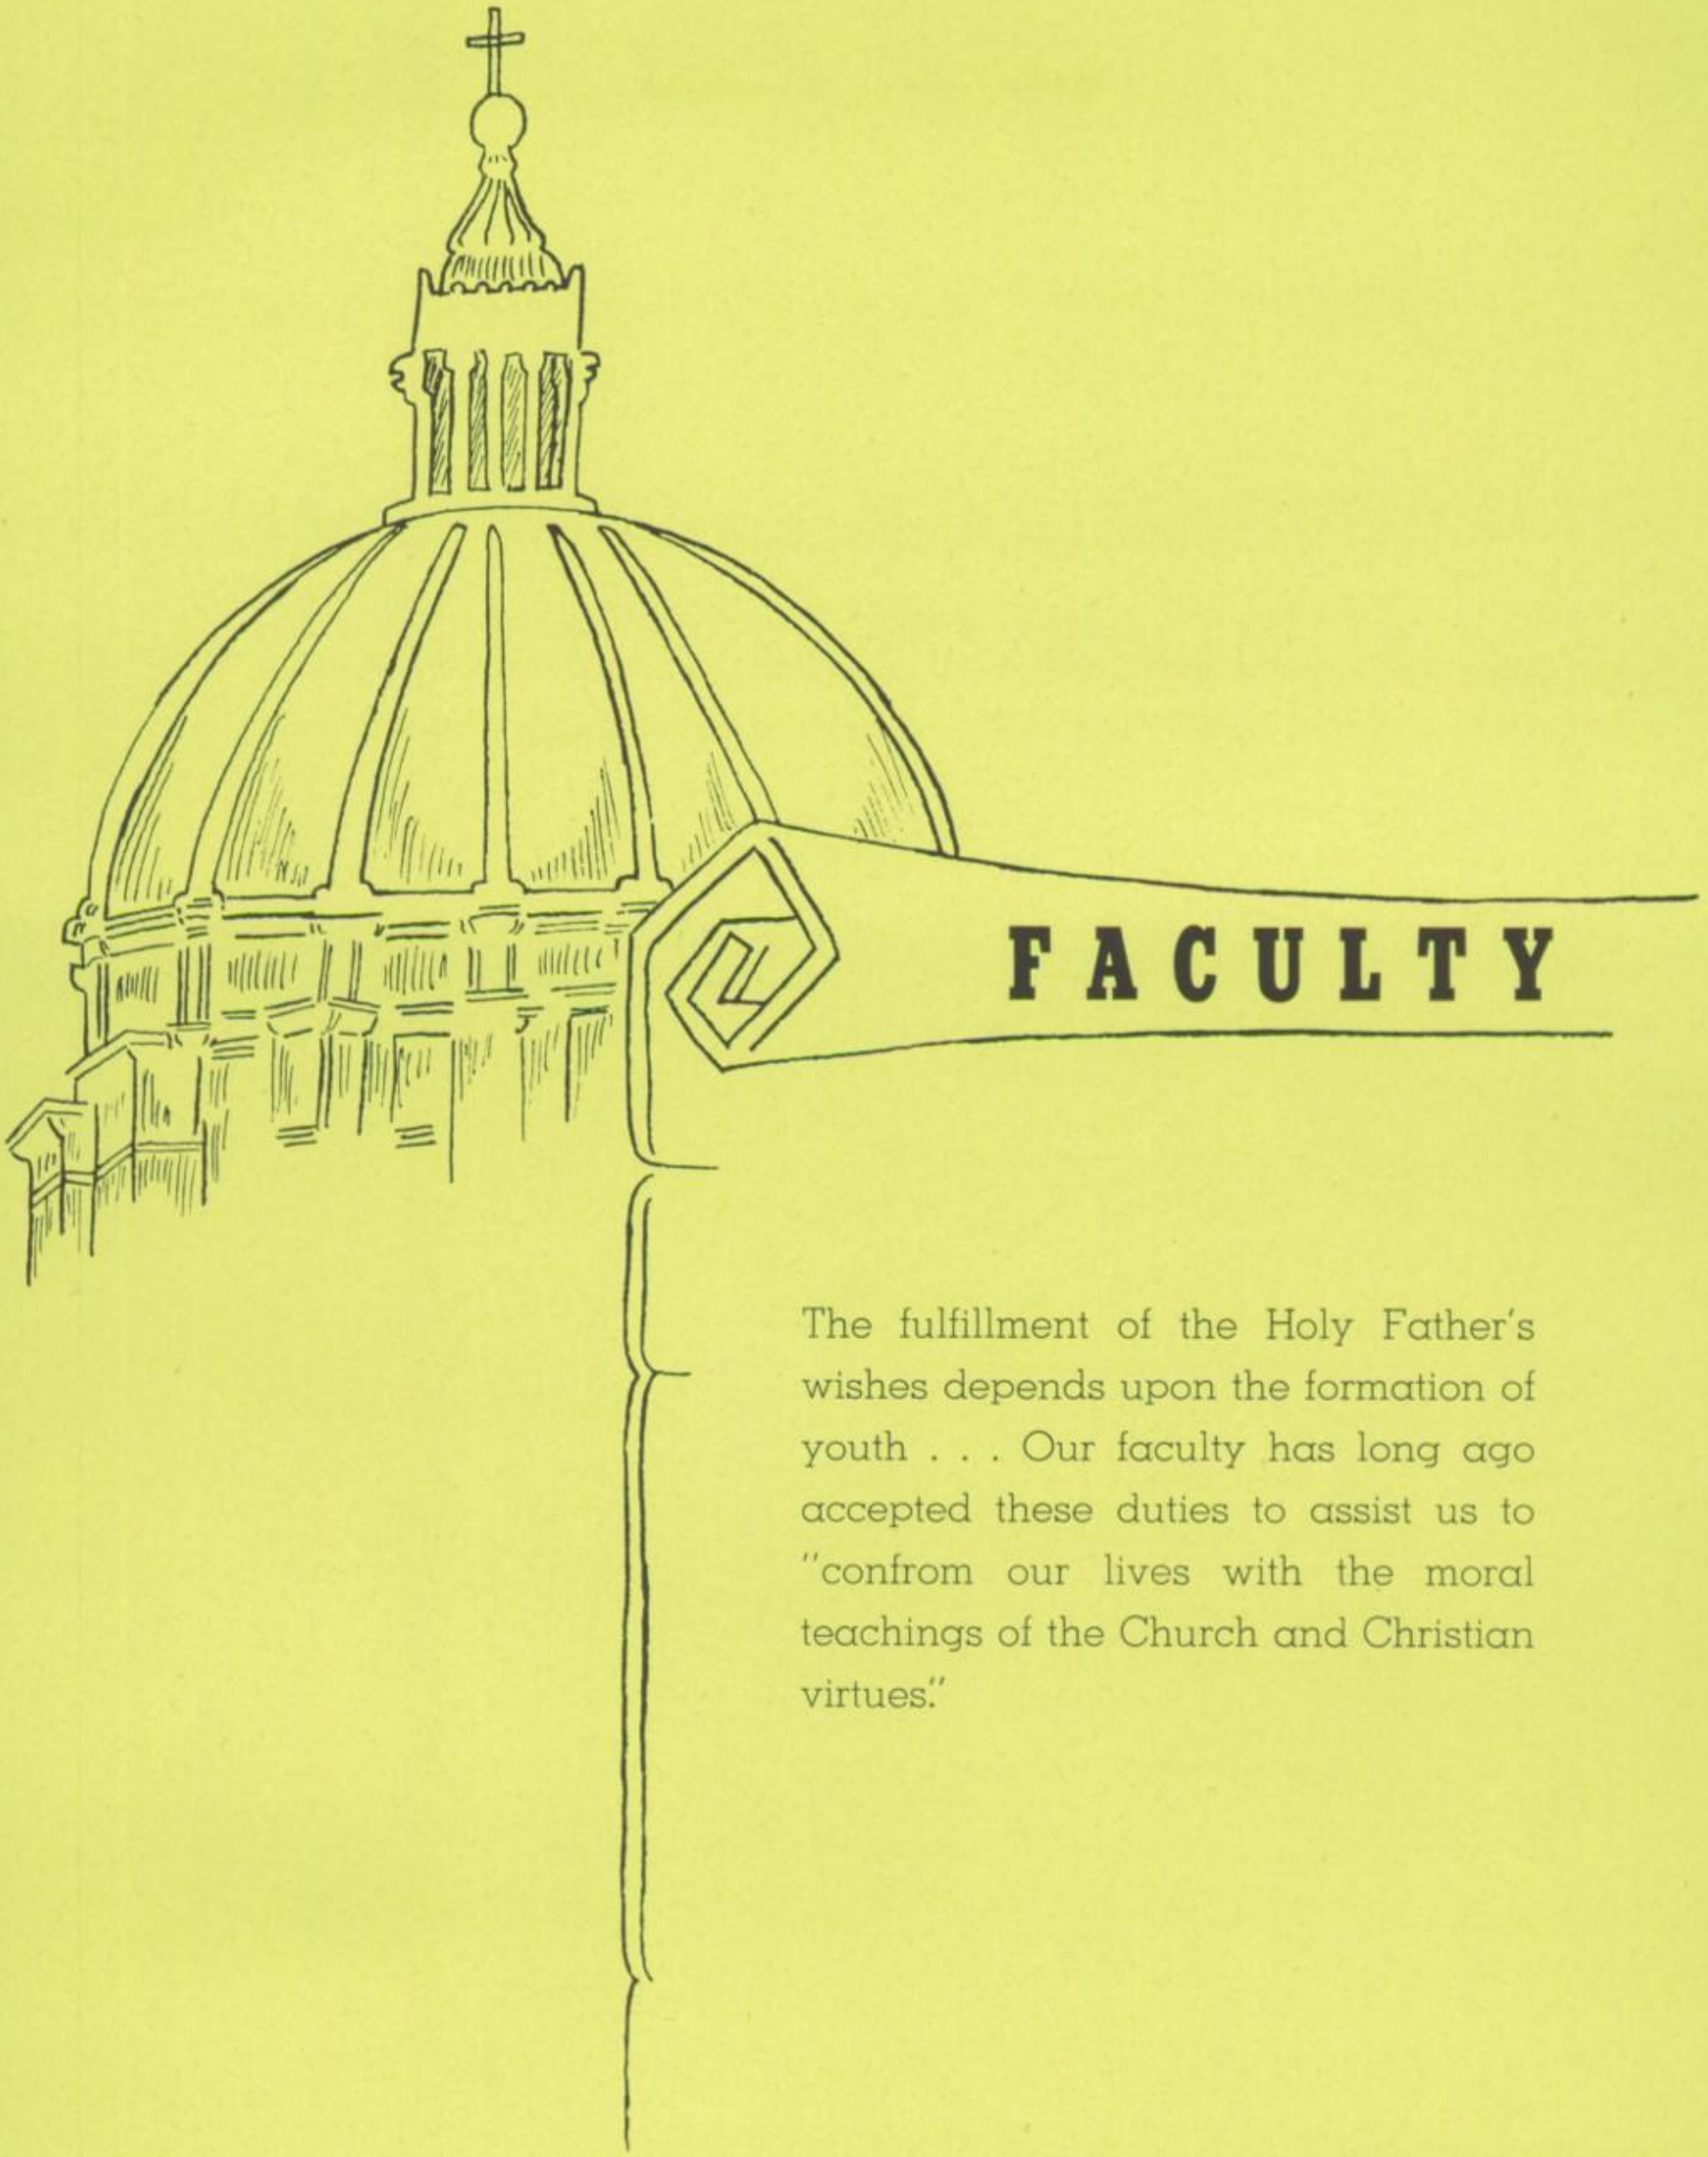
WELCOME BISHOP, THIS JUBILEE YEAR

To you, the most Reverend Stephen A. Woznicki, we the students of St. Joseph High School, extend our sincerest congratulations upon your new appointment as Bishop of the Saginaw Diocese. We firmly pray that life in our midst will prove beneficial and inspiring. May the years ahead be happy, spiritually prosperous, and successful.



DEDICATION

With sincere hearts we take up your challenge to youth and we hope that through our humble efforts, "the face of the earth may shine more serenely in tranquility and fraternal concord at the end of the Holy Year." May God grant that through our efforts "a new era may arise for the whole great human family a richer, holier, and happier one."



FACULTY

The fulfillment of the Holy Father's wishes depends upon the formation of youth . . . Our faculty has long ago accepted these duties to assist us to "confrom our lives with the moral teachings of the Church and Christian virtues."

Don Pietrzak
They Lead The Buccaneers.

Don Pietrzak, graduate of the class of '45, held the coaching reins of the Buccaneers basketball team throughout the season. He drove the Bucs through the V.P.L. schedule and ended up in fourth place in the Valley Standings. A fine showing for a fine coach. Incidently, Don played on our great basketball team of '45 that went to the State finals in the Class B. Tourney.

Joe Bourcier

Joe Bourcier, a former backfield star at SS. Peter and Paul and a semi-pro football player, returned to St. Josephs for his second year as head coach and found himself handicapped with lack of experienced players and reserves. Though fighting hard, the Bucs failed to win one for the coach.

They taught us that victory can be found in defeat.

FOOTBALL . . .

Never before in the history of St. Joseph did the Bucs encounter a more disastrous season than the 1949 one. The spark that was necessary to get them rolling in every game was lacking. In all probability the losses were due to the lack of experience of the substitutes. All most all the games were defensive. To hold their own was all they were able to do. In all of their games, but one were they outclassed, the other teams were unable to do anything until the Bucs had tired in the last half.

A TRIBUTE TO OUR FRIENDS

Impressive words cannot express
Our foremost thoughts of thee;
We cannot know of better friends
That made this book to be.

The million eyes we sought each day,
The hands that clasped have shown,
Those arms that came to aid our plea
Were none other than your own.

So, you who gave supporting help
Are now remembered here,
And we hope that this nineteen-fifty
Will bring the blessing of the Holy Year.

FAREWELL, ST. JOSEPH'S, FAREWELL

The days are gone, but near to us
Our memories will remain,
The time we spent at St. Joseph's
We know was not in vain.

We remember being a Freshman
Our first year here to spend,
The parties, dances, games, and things
We thought would never end.

Then, as we became a Sophomore
Our hopes began to climb,
In work and all activities
We made the most of time.

Our Junior year approached us
And our class had led to fame,
For as prom and yearbook leaders
We won for us a name.

The doors have opened one more time
As each one took his place
There was pride in every Senior
And a smile on every face.

Four years have slowly drifted by
And now its time to go,
To leave our school and face the world
With all its goals to know.

The smile has faded from our lips
Our eyes are filled with tears,
Once again, we say farewell
To the school we knew so dear.
